May Christmas  
Bring You,

HONEY,

A Bright and  
Happy Year!

Wednesday night  
Dec. 27, 1950

My Dandy, darling;  
The beautiful, beautiful string of pearls and earrings came today and I am so excited I could pop. How did you ever know - how can you be so sweet?? But you always pick the nicest presents for me.  
Tonight is the first evening I have been home in weeks and it is wonderful.

I'm thinking of you, Honey,  
But then, that's nothing new!  
I was thinking of you yesterday ~  
The day before that too...

And I'll think of you tomorrow,  
The same fond, loving way,  
For I wish you happiness all year,  
As well as Christmas Day!

just to be able to relax. I have had  
a wonderful Christmas and all  
that <sup>missed</sup> was you here to kiss me.

Honey I'm gonna write you a  
nice long letter soon but I  
want to get this note off to you  
'cause it will probably have to  
be forwarded to Birmingham.

Thank you  
again for my  
Xmas honey  
and write  
to me real soon

'N MORE  
Kisses

Have a Happy New Year and  
may the year bring you good  
fortune and happiness.

My love to you and a kiss

Daivinda
