Dear Mother & Papa:

Glad to get your letter. Things now look as if I'll get to see you. I asked Auguste & Idene to come down 2 days ago & it was good to see them.

Please come on out here as soon as you reach Washington. You will arrive at Union Terminal in Washington. A taxi or trolley will carry you to Greyhound Bus which runs a bus out here from their Wash. terminal. Also trains leave the railroad terminal & will bring you to a little town (either LAUREL or ODENTON) where there is

a bus connection to  
Ft. Meade. Either is O.K.  
Find out (by 'phone to  
Greyhound Bus Terminal  
& from information desk  
at Union Station)  
which one leaves sooner.  
Better eat lunch before  
arriving. Let your trunk  
or heavy luggage go on  
through to NYC, I'd  
think, & bring a suit  
case out here. Will  
make arrangements  
for you to stay with  
the CONLY'S in Baltimore.  
Saturday night - no  
rooms out here.

Be careful of yourselves.  
Don't do any straining,  
Papa, or heavy lifting.  
Let a Red Cap ~~the~~ carry  
luggage in railroad  
stations for a dime  
a piece. Love Elmer Key

P.S.

~~When you arrive here~~  
Ask the bus driver  
to let you off at the  
Officer's Club. Go  
in there at the  
front desk, tell the  
clerk who you are  
& ask him where I  
am. I'll plan to  
either be there or  
let him know where  
I can be reached by  
'phone. The ~~place is~~  
camp here is large  
& the bus wanders  
about a lot, so  
remind the driver
