Dear Honey:

I hated to call you again
so soon - more money - but
under the circumstances I didn't
want to wait for fear something
might have happened before a
letter could have reached you.
It is hard for me to believe
that his condition is as bad
as everyone has told me but
no doubt it is true. Dottie
stay in the solarium most of
the time since they only allow
her to visit him at certain times.
She is so brave and well poised
it makes me feel ashamed I
ever acted so silly over ^(at times) you.
However I'm learning.
Today's report on John's slight

improvement (or rather Sat nites)
The drugs are probably beginning
to take effect - Let us hope.

Still no letter from my
Sandy — . It's no use for
me to pretend I don't miss
them because I do - terribly.
Even a "quickie note" would
suffice. We have nothing
to share if you don't write
till then —

All my love,
Dorinda

Later Sunday: The latest
report on John - more
comfortable -

L. D. D.

Be happy sweetie

Dear Little Ones:-

Elmer Key, the letter from Gusta & Bill we sent on to you yesterday tells the situation as to their visit. You note that they do not plan to drive out to Houston. They plan to get here tomorrow evening about six o'clock. We will meet them at Britling's or wait here for them. It is a long drive for a day and I am sure they will be tired. We invited Muriel to come on with them and she will if Diz does not drive down to N.C. for her. That depends on whether or not a car comes through for Diz at Cleveland. Gusta is to call us if Muriel is coming with them. We have up stairs opened up and furnished for them and for Elmer Key if he comes. We are having typical April weather here and it is pleasant.

Idene & Tom, let us know what you think about the dish washer and what you want us to do about it. We will be glad to get that one for you if you think well of it. Hope your indisposition is better and you are more comfortable. Sorry you and Tom and the children can't be here with the rest of us, but, as we often say, this too shall pass and we can all get together another time.

Elmer Key, let us know the chance of your flying over while Gusta and Bill are here. We hope you can make it but we understand the situation there with you and Jack. Come if you can.

The prospect Jackson had for selling this place is off for the present but they are still working on it. The buyer of Ill made the first monthly payment yesterday. They have opened their flower shop and seem to be pleased, and we are. We called on the four Driftrack purchasers and made a hundred per cent collections there. Those on south side come later in the month and they are always ready.

Oliver Darden was married to an Ensley girl Sat. night at the Ensley Methodist Church. Oliver is in aviation stationed at Montgomery.

Wayne was here for a day and two nights the past week; he went from here to Louisville for a four or five days convention. Said he might come back by here.

We attended church this morning and went to lunch. We will go back in to dinner to night.

Mother and I are well and looking forward to a good time this week.

Elmer Key, we had one of your watches put in condition and sent to you a few weeks ago. Did you get it?

I don't know whether I wrote you or not, but mother has a new bonnet style hat that knocks 'em cold every time she goes out. I have a new between-season suit that takes the place of the old blue serge; wore it to day and it is very comfortable. A card from aunt Ermer says she is feeling better. Ben and Eugenia have bought a place in College Park near Atlanta.

Love and best wishes from mother and papa. Your father, E. O. Sanders

Monday morning

near old Bay.

A nice long letter from
Idell, which we will see
along to you, as soon as
Gusta & Bill come &
have read it.

They please to be here
about dark tonight
Luck & Love
