August 9, 1957

My Sweetheart:

Here I sit with cramps -
and missing you like everything.
I think I miss you more at
this time than any other time
during the month. I long
to snuggle up close to you
and kiss my honeybunnie.

Darling all I want to say
tonight is ----- I love you!
And to me that is pretty special.

Goodnight sweetheart

Lots n lots of love & kisses
from your baby,
Lorraine
