31 - July '50

Dear Honeybunchie;

Two letters from you last week - one one day and another the next. You don't know how much better I feel knowing your thoughts so I can share them with you.

Have been lousy as I don't know what since a week ago Wednesday. Never again will I stick my neck out for just anybody. Will tell you about it sometime - wheeee!

Surprises of surprise - Aunt Irma & Uncle Alex came through N.Y.C. for a couple of days, quite unexpectedly! Uncle Alex's now president of the Lyons Club in Tampa and is working very hard to make

- 2 -

this year a profitable one for the club. The Lyons Club, I am sure, help a lot of needy people. The purpose of the trip was to attend a meeting of some sort in Chicago. They returned via N.Y. to make arrangements for some good entertainment for their annual Charity Show. Last year they made only thirty four dollars.

Both asked to be remembered to you and also mentioned the Xmas card, & note you wrote when you were sick in the hospital.

I think you'll find P.H. quite changed when you see it again. They have added several floors to V.C. - the O.R.'s remodeled - dining rooms enlarged & furnished in new tables & chairs - the

third floor resident quarters
now new X-Ray dept -

Workness X-ray, also enlarged
and extends to the college.

----- I'm the only one
or thing -
who has not changed around
this place - - - - I still love
you, yes, more than all
the other good things rolled
into one. And someday -
maybe - you will know
how much !!

Honey, I'm glad you
talked to DeBakey the way
you did and I hope you
talk to him every chance you
get. Also I am happy to
hear Dr B. wants you to take
over more of the administrative
functions. All hospitals are
lousy with politics but I'm

sure you will be able to handle 'em as skillfully as you handle me. hi!

Sweetheart - don't get too discouraged - Remember you will always have me. And even if you do decide to make a change the experience you have had at the V.A. is bound to be of some value to you.

Wouldn't it be wonderful if we could celebrate your birthday together. I hope wishing makes it true - 'cause of all the honeys you're the sweetest.

Love in kisses
Dorinda
