Tuesday a.m.

Dear Mother & Papa.

We have just discovered that Tom has a double hernia and he is planning on the operation next ^{probably Mon.} week. We talked to Sandy Sat. morning and he may be able to come over right after his boards to observe or possibly assist. He was to write us as soon as he could make his plans. We were wondering if you would be able to come

us and stay with us while Tom
is in the hospital - probably
about ten days. We would
certainly appreciate it if you
could work it out. We are
having beautiful weather &
I believe you would be
quite comfortable.

Everything else is well -
Will let Tom mail this
on his way to work.

Have answered ~~you~~
and said that we
are subject to your
plans. But really
we see no use in
you changing your
plans to get into a
