Dearest —

I have decide I can't wait any longer to see you — You will probably think I am mad but it is just because I still love you and I can't help myself — maybe you can — — — Not writing to me doesn't seem to be the answer.

I am arriving June first — 6:20 A.M. (C.S.T.) to be exact. It's such an awkward time I suggest you meet me for breakfast later — However whatever you decide will be agreeable with me —
Loney.

Will wait until

I see you to tell you
the news around town.
I am going to a wedding
in New Haven tomorrow and
then on to Leominster, Mass
for the weekend.

I hope this note finds
you happy and well darling.
So we can have a nice visit
together -

Wasta lo vista
Your Dorinda
