Home. Tuesday

Dear E.K.

So glad to have your  
card from L.A.

Time that another  
milestone is past.

A note from Gusto  
with samples  
for the Randall  
to use on the Walnut  
furniture. - Bill  
came in from Canada  
Sunday night. fit  
& fine -

Our plans are in  
abeyance. Want to  
fit in with your

time off. Such fun  
to have the trip -

Mrs. Ware, one of the  
Family night group at  
First Methodist called  
you while in Houston  
She loved you. Such  
a Merry Man" says she.

Surely you know  
how to make friends  
and tie them to you.

Mr. Randall wants  
to see you. He is so  
worried that the cyst  
taken from his lung  
was malignant -

Will see  
Luct. & Jesse.

L. K. S.
