Honey Child -

How goes it?

We almost have the roof
on & latest news is that
about Dec. 1 we'll move from
here to a 3 room furnished
apt. in Mrs. Britwans
home - quite near the Corners.
It's on the road up - off to
the left. We'll rent it -
heated & w every thing for
\$35 a month - & we'll even
have room to put you up
if you'll come by to see
us - it has an

extra bed. Looks now like
about Feb. 1 for getting into
the house - we'll store
the furniture meanwhile.
\$24 to store it for 2 months -
\$40 " move it to warehouse +
\$40 " " " " Corners -

not too bad, I guess.

D father Cleveland is
out of the picture because of
so much anesthesia. What
now or are you going to
look around? And what
did Dr. De Babey say? And
how do you feel?

It was fun to see you +
Dominda here - she is a
sweet gal. We've all had lots
of fun together.

We plan to leave here
next Wed. + drive to Ideneis +
probably drive back Sunday -
what are your plans?

I'm still grappling w the
ath - drums yet w/ill
win! Then comes the
cellar - I'm afraid that'll
floor us. Every body should
have some in a while -
good cathartic for a house.

When I think how close
