Dear Elmer -

Just a note to let you know how much we enjoyed your visit - hope you can come again soon. The registered letter from the Air Force was my orders to report for duty on Oct 13 for a year of active duty. Ain't that a Helluva note. Of course, the company is doing everything that can be done, to get me deferred - but I don't know how successful it will be. Will keep you posted.

By the way, if you still wish to do so, we would like very much to have you drive our old car to W. born & turn it over to Mother & Dad. It will take you two full days to make the trip & this may interfere with your time schedule. If so, don't hesitate to say you can't do it - I'll understand perfectly. We will wait to

hear from you before making any other plans.

Give our best to Dorinda - Marie
asks to be remembered to you both.

Sincerely -

Al
