Well. wasn't that
phone call at 2³⁰ A.M.
fine - I guess you will
continue to reap on the
2 yrs with V.A.

Pa & I have figured
out that no one with
goutres - nor case series
breast cancer (incipient)
could keep a fellow
going pretty well - even
if the Government
should through U.M.T.
get men served by
V.A. & Army Hospitals.

yes. E. Key Souders
sounds good. Elmer Key

seems quite a mouthful
to any body but the
family -
Maybe the fellow who
wanted to follow you
out of v.a. to do your
office & lab. work was
right about your
needing him. If not
you - can keep up
the try & die card till
you get what you need

At lunch today we
can go to Herrherry's &
send the mouth people.

At Executives Club last
night Mr. Fairley said
your opinion in court
would be a great help
in settling claims. So
claim agents I guess
would be your connection

One can never tell
about names of
professional men.

Clay Ray Jones (?)
Cushman Haagen
Erskine Ramsey etc.

Glad to get the
reaction of an outsider,
on Elmer Key-Souders.

Dr. M^r: Lester - never
uses even his initials
unk kept trying to
get up courage to
use Strother Key.

But S.T. Key got
started like Sandy
with you - you
fals you give you

are having ^{and} ³
making your own
decisions and working
out things -

But nothing can
take the place of
the years, walking
Pres. Hall, Church
& Trance & man via
& Houston.

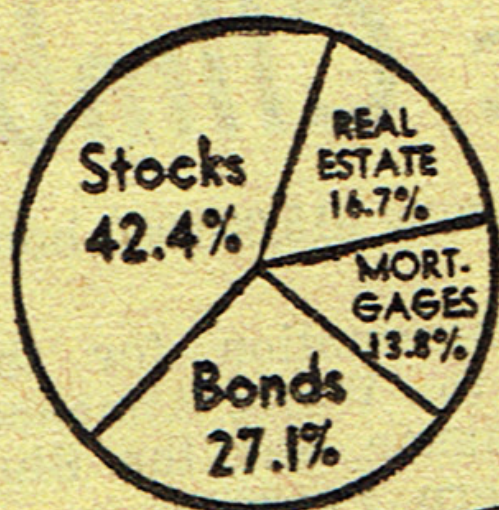

You have tried
& are living a full
thrilling life.
